A) egg, cheese, ham	B) hair, nose, blood				
C) sugar, flower, milk	D) flour, time, money				
III. Reading	2) near, ame, mency				
Milly was bored, so she looke	ed through the window and watched the rain clouds. It was a rainy				
Friday morning. She dreamt of playing outside, but she had to stay at home because of the weather.					
In the afternoon, the rain stopped, a	and the sky became blue.				
Milly was happy, she went our	at and saw the rainbow. She was excited about the view. Suddenly,				
both ends of the rainbow began to	o fall to the ground. Surprisingly the rainbow landed in the garden.				
Milly went closer and touched it. She stepped inside it. Wh	HOOSH! The rainbow sucked her up. It went up and down in the air.				
Milly tried to hold the edge of the rainbow, but it was hard	to keep it. After some time, she fell to the ground. Milly stood up.				
She was fine. Fortunately, Milly didn't break anything. She	e was standing on a steep green hill. She could see her house, but it				
was far away. It was like a small white box. She looked around	und. It was a calm and peaceful place. But where was she? She had				
no idea.
