Since 2008 Carnaval Sztukmistrzów has become one of the biggest annual art and busking festivals in Poland. Every summer street artists from all over Europe come to Lublin to present shows in Lublin's streets and squares. At the festival, you can admire sword swallows, acrobats, clowns and street performers. It is like a circus, but without animals and their tamers.

It is open to everyone. There aren't any age limits. You don't have to pay for entry. If you think the performance is good and hilarious, you can just give some tips to the artists. The event takes place outside, so take an umbrella just in case it rains. But, bear in mind, when you take part in the Great Wolynsk show, you will not have time to think about the weather. The artist is a one-man band who owns the world's largest latex balloon. During his show, he gets into the balloon and bounces like a ball. You must see it.

At the time of Carnaval Sztukmistrzów, there is also Urban Highline Festival in Lublin. This international event has taken place in Lublin since 2009. Every year the highliners, who walk on the ropes above the heads of people, come to Lublin from over 50 countries in the world.

Just think about amazing performers in the street and above your head, come to Lublin and have fun!
